

**Subject:** N HW Comms Comte meeting - Wed April 29

Please note that meeting will be in Library Conf Room at 6:30 PM Wed 29th. Hoping this works better for you all, but we can discuss merits of time change that evening. Secondly, I've copied those who may be interested in hearing Valerie's presentation on Google Calendar, but do not have to worry about continued presence on this committee - since we have Comms Cmte reps from each of the districts. If a District Rep cannot make meeting, then I would appreciate the DC strongly consider attending.
